Summary Statistics

- **Total Transactions Analyzed:** 200
- **Flagged Transactions:** 6
- **High Risk Cases:** 4

Recommended Action

1. Investigate duplicate invoice INV-2045 (TXN-100004 vs TXN-100076) immediately to recover overpayment.
2. Verify vendor authenticity and justification for round-number consulting fees (TXN-100134).
